Standard	Institute	Board/University	Percentage	Class
M.C.A	Royal institute of Technical Education Latur	S.R.T.M.U.Nanded	75%	I st
B.C.A	Ch. Shivaji Mahavidyalaya, Udgir	S.R.T.M.U.Nanded	73.80%	I st
H.S.C	Ch. Shivaji Mahavidyalaya, Udgir	Latur	80.00%	Dist

Projects:

1 . Personal Finance Tracker

Description:

Developed a responsive Personal Finance Tracker web application to help users manage and monitor their daily income, expenses, savings and financial activities through an easy-to-use dashboard.

Key Responsibilities:

- Designed and developed a responsive and user-friendly finance tracking interface using HTML and CSS.
- Implemented income and expense management functionality using JavaScript.
- Added category-wise expense tracking and financial summaries for better monitoring.
- Used LocalStorage to persist user financial data in the browser.
- Technologies Used HTML, CSS, JavaScript, LocalStorage, Chart.js

2. BrewNest Coffee & Cafe

Description:

A modern, responsive coffee shop web application designed to provide a smooth online ordering experience. The project includes menu browsing, search and category filtering, cart and wishlist management, checkout, reservations, order tracking, user authentication and profile-based order management.

Key Responsibilities:

- Designed and developed responsive multi-page user interfaces using HTML and CSS.
- Implemented interactive features such as search, category filters, cart, wishlist and checkout using JavaScript.
- Developed reservation, order tracking and user account flows.
- Implemented client-side data management using LocalStorage.
- Technologies Used: HTML5, CSS3, JavaScript, PHP, MySQL, XAMPP

3. Smart Job Portal

Description:

Developed a web-based Smart Job Portal that connects students with recruiters by providing job listings, online applications, user authentication, and application management through an admin dashboard.

Key Responsibilities:

- Developed frontend using HTML, CSS, and JavaScript.
- Implemented backend functionality using PHP.
- Designed and managed MySQL database.
- Developed secure Login and Registration system.
- Technologies Used: HTML5, CSS3, JavaScript, PHP, MySQL, XAMPP

Certifications

- **Software Engineer Intern – HackerRank**
Passed the HackerRank Role Certification Test, demonstrating software engineering fundamentals and problem-solving ability.
- **Java (Basic) – HackerRank**
Completed the HackerRank Java Basic Certification, demonstrating knowledge of Java programming fundamentals and coding concepts.
- **Problem Solving (Basic) – HackerRank**
Passed the HackerRank Problem Solving Basic Certification, demonstrating logical thinking and fundamental problem-solving skills.

Technical Skills:

- Programming Languages : (C, C++, Java, JavaScript, PHP)
- Frontend : HTML, CSS, JavaScript, Responsive Web Design
- Database : MySQL
- Operating System : (Windows, Linux)
- Tools : VsCode, XAMPP, phpMyAdmin
- Core Concepts : OOP, DBMS, API
- Computer basics
- Technical Support

Soft skills:

- | | |
|-----------------------|--------------------|
| ▪ Communication | Time Management |
| ▪ Problem Solving | Decision Making |
| ▪ Critical Thinking | Self-Motivation |
| ▪ Planning | Leadership |
| ▪ Creativity | Team Collaboration |
| ▪ Continuous Learning | Data Analysis |
| ▪ Quick Learner | Risk Management |
| ▪ Fast learning | |

Awards and Achievements:

- Participated in various Sports Events in College
- 3rd price in C poster presentation
- Member of the winning cricket team that secured 1st place in an inter-college tournament.

Personal Information:

- Interests : Learning new things, Web Development, UI/UX Design.
- Strength : Quick Learner, Problem Solving ,Communication, Team Collaboration

Note : Willing to work on any profile , will definitely give justice to that profile.

***The above mentioned information is authentic to the best of my knowledge.**
